Raza Khan is the founder and Director of Samson. He has been working as a Property Consultant, Surveyor and Valuer in London since 2006. He has advised clients on all aspects of property surveys, Red Book Valuations and acquisitions/disposals of their estates from inception to completion including, as might be expected given his training and experience, Capital Gains Tax and Inheritance Tax Valuations. Raza specialises in Commercial and Residential Surveys, Consultancy and Valuations for all purposes.

In the recent past

We Have Worked With

Samson work for a broad spectrum of clients, ranging from Housing Associations, property developers, investors, corporate entities and local authorities.

We've built our standing as one of the top Real Estate firms in the city by putting the needs of our clients first.

Our Customers are important to us, Here's what they have to say.

What People Say About Us

Samson were really helpful in providing advice on party wall issues we had. Raza Khan is very knowledgeable and professional. Many thanks for the great service.

David Browne
london

We needed advice on surveying our new home, structural and internal checks. Samson did an excellent job in assisting us in a Building Survey and providing us very useful advice that we could rely on.

Yuk Sang Lee & Yuk Ling Karen
london

Samson are very professional & ethical. I would highly recommend them in matters relating to development property disposals as I have.

Aidan Crawshaw
london

Raza met me in March 2020 and assisted me with getting RICS valuations for a number of properties I bought. Thanks Raza! 5 star service.

Mohammed Siddique
london

Planning and development advice was spot on for projects we bought in NW London and Essex. They have also helped us a lot in acquisitions. Will use again for future projects. Luca Bertali.

Greenshore Developments
london

Chartered Surveyors RICS

Samson is a multi-disciplined business, we always deliver. Our advice and consultancy will prove invaluable at every stage of your property lifespan.

From well-researched and considered market advice to expert design consultancy and the fulfillment of last minute requests for reports, we always deliver on time and on point. Our team are extremely professional yet hugely enjoyable to work with.

Party Wall

Our qualified building surveyors are members of the Faculty of Party Wall Surveyors and provide a high-quality service to architects, homeowners, neighbours, property developers and project managers.

Building Survey

Samson building surveying team provides practical advice, focused on solutions, to clients across the UK.

Our team can advise you through all aspects of the property life span, from the initial acquisition or construction, through to repairs, maintenance, enhancement and adaptation, and finally onto the disposal of the building.

RICS Valuation

The valuation of property is a core part of our practice and stands at the heart of all property decision-making. This is why we have a comprehensive network of RICS Registered Valuers across the country.

Development Consultancy

We advise clients on investment and development opportunities in London and throughout the UK. Alternative property uses must always be considered in order to maximise the investor returns and Samson can offer a comprehensive service in preparing appraisals on viable option schemes. We identify development opportunities, advise on funding strategies and give general property investment advice on land and buildings for both capital and income performance. We also advise on portfolio asset management, and provide a full range of management services.

Professional Services

We have a dedicated property management and accounting team who specialise in residential and commercial property management. Our team undertakes a wide spectrum of general management functions which include inter alia: collecting rents, dealing with day to day maintenance issues, organising insurance premiums and dealing with service charge reconciliation statements.

Please get in touch and our expert support team will answer all your questions
